Handbook confirmation:

I have read and familiarized myself with the Blue Springs High School Department of Bands handbook and understand its contents. I understand that I am expected to follow the guidelines set forth in this document. I also understand that band is a co-curricular class, therefore outside of school rehearsals; performances, etc. are a portion of the course grade.

Media release:

I also understand and give permission that my/my child's picture may appear in a variety of visual and media outlets including but not limited to: television, video, motion picture, snapshot pictures, newspaper, web-site, mailings, brochures, handouts, etc.

Conditioning/Rehearsals

Marching Band utilizes many similar conditioning activities as athletic teams. Hence, it is called "The Sport of the Arts." As the other outdoor sports, practices will be conducted in a variety of weather conditions. Most importantly, it is the student's responsibility to step off of the field and contact a staff member if they are not feeling well. It is impossible for the staff to constantly watch 250 people. It is also the student's responsibility to bring water to rehearsal.
